

# Recurring Billing

DebiCheck is a secure debit order payment system that allows you to electronically approve your debit order details at the start of a new payment contract

## Activate payment contract

Select DebiCheck as the payment method and enter your bank details safely and securely.

## Customer sign up

Once the deposit is paid and the payment plan is active, you will enter your details and a one-step OTP sign up is initiated.

## Initiate the first instalment

This provides a second collection method for LayUp to collect instalments. Allowing for two collection options through card tokenisation.

## Always paid on time

With LayUp's automated billing, collections and reconciliations, your future instalments will always be on time.
